Far away from
there...

After that
happened...

Before that
happened...

I remember a ____
like that. Once...

person, place, or thing
opportunity
crisis
moment
mystery

Not far away from
there...

While that was
going on...

Another example of
_____ is the time
when...

a solution like that
that kind of disaster
a person like that
that sort of feeling

That reminds me of
the time when...

If we're going to
talk about _____, I
should say that one
time...

this topic
this person, place, or thing
what someone did
the way they felt

I've seen worse.
One time...

What you said about
_____ reminds me of
the time when...

that issue
that person, place, or thing
what they learned
the mistake they made

Speaking of _____,
one time...

this subject
this sort of situation
this person, place, or thing
a time like that

I met someone ____
like that once. What
happened was...

who was
who thought
who felt
who acted

I had to deal with a
____ like that once. It
was when...

mess
dilemma
mystery
perfect storm

I've seen less ____
than that. Once...

organization
rainfall
understanding
patience

If you think that's
____, you should
have seen the time
when...

amazing
difficult
a lot of money
too much wind

I've seen better.
One time...

I've seen more ____
than that. One time...

traffic
ingenuity
of a storm
cooperation

I found a similar
solution once. It was
when...

I felt like that once.
What happened
was...

I got help from a
____ like that once,
when...

superhero
surprising source
process
discovery

I learned something
like that once,
when...

I made the same
mistake once,
when...

I did something like
that once, when...

That might be the
usual thing, but on
the other hand, one
time...

Watch out for ____,
because once...

this problem
this subtle point
this tradeoff
this side effect

I ran into a problem
like that once,
when...

It's funny, because
I've seen just the
opposite happen.
What happened
was...

I've had experience
with ____. What
happened was...

that kind of problem
a crisis like that
someone doing that
that sort of dilemma

You might want to
try ____, because
one time...

avoiding this
paying attention to this
asking about this
playing with this

What ____ knew
about ____ reminds
me of the time
when...

someone in the story
this subject
how to do this
what was coming next
this person, place, or thing

The way ____ didn't
know ____ reminds
me of the time
when...

someone in the story
what to do next
what this person knew
how to deal with this
what this would mean

The way ____ cared
about ____ reminds
me of the time
when....

someone in the story
their belief
this problem
someone else in the story
what they did

The way ____
thought about ____
reminds me of the
time when...

someone in the story
the right way to do this
this obstacle
this person, place, or thing
people like this

The way ____
needed ____ reminds
me of the time
when...

someone in the story
to be heard
essential information
more of this
to make sense of this

The way ____ wanted
____ reminds me of
the time when...

someone in the story
their own way
to vent their feelings
you to hurry up
to get past this

What I heard about
___ was that...

what happened
the situation
the people
how they felt

The trouble ___ had
with ___ reminds
me of the time
when...

someone in the story
this person, place, or thing
what someone did
feeling this way
this barrier

The way ___
behaved reminds
me of the time
when...

someone in the story

I heard about
something like that.
What I heard was...

I was there too, and
what I saw was...

The way ___
changed reminds
me of the time
when...

someone in the story
something in the story
